Annual report

Year 2012-2013

Name of the program: Girls education program

Agency: Room to Read, New Delhi

Purpose: To provide support to girls who were unable to get education & unable to continue their education due to the poor economical status of the family. We will be supported their families for better living. The expected outcome of the intervention is that they will pass with good marks and make true their dream in future.

Activity: We **distributed educational materials** such as Dress, bag, pen, books, sweater, Stationary/books etc. to 201 girl's students. Through regular support girls were able to continue their studies in 5 villages with the support of **Education Center**. In continuation this year also we organised **Parents Meeting at village level**. **In the meeting** we had discussion on role of School Management Committee, monitoring the education progress, women empowerment, school timing, etc. **Health Checkup camp** were organized by PGVS. In this camp total 201 students participated. **In the camps children** were made aware about their malnutrition & health diseases and ways to come out of it during this camp. Besides that Republic day celebration, 15 August, teacher day, Gandh Jayanti, International women's day, Human right day like this many **Important Days were celebrated** by students along with community people at village level.

The organization also facilitated 5 **Balika Panchayat**. Every last Saturday in the month the organization conducted Balika Panchayat meeting. The girls were encouraged to discuss and deliberate upon their health issues, problem they faced while going to school and they played various games. In 2012 we had our programmatic as well as financial **Audit** process & done **phase out** process. In **Profession Training** we were given the tools for improving & choosing profession like shopkeeper, small skill industries etc in **Uddan camp** in April 2012 at Pacmadhi. We deliberated on our moral responsibilities, leadership building, and speech etc. **meeting with government officers** regarding girl's educations.

Year Jan. 2013 to March 2013

Name of the program: Dalit AdhikarAbhiyan

Agency: ActionAid India, New Delhi

Purpose: To end untouchability and discriminatory practices in society. To build discrimination-free school as per RTE and establish qualitative education for all Dalit children & empower women and improve their condition and stop all forms of violence against women. In this way we establish the social justice in the society.

Activity: In Betul district new area was selected under Dalit AdhikarAbhiyan and baseline survey were carried out. In this survey the focus was on identification of forms of untouchability & discrimination, educational status, economic & social condition. On **International women's day** were celebrated with joy in 50 villages. Women's groups came forward to demand the property rights for women to challenge patriarchy at family and community level. To capacity building programmes were conducted to build the capacity of women to raise their voice against women's violence and support the case with sensitivity and develop understanding on feminist ideologies. We had conducted a **Staff training & staff leadership building** for Dalit AdhikarAbhiyan staff. The issues of adolescent girls were also addressed through "**kishori training**". Total 40 adolescent girls were participated in the given programme.
